Objective

Final-year BBA (Decision Science) student at Christ University, Bengaluru, with hands-on experience across HR operations, business analytics, and cross-functional team projects. Seeking entry-level roles in **Product Management, Business Analytics, HR/People Operations, or Business & General Operations** where I can apply data-driven thinking and strong interpersonal skills to make a real impact from day one.

Education

Christ University, Central Campus — **Bengaluru, India**
Bachelor of Business Administration – Decision Science — *June 2024 – Expected June 2027*

- **CGPA: 9.05 / 10** (up to Semester 4)
- Coursework: Business Statistics, Data Interpretation, Operations Research, Strategic Management, Organizational Behaviour, Decision Modelling
- COIL International Learning Programme – collaborative academic project with **Baylor University, USA**, providing cross-cultural and global business exposure

Experience

Mu Sigma Inc. — **Bengaluru, India**
Apprentice – Business Analytics — *July 2026 – Present*

- Researched and documented the complete lifecycle, mechanism of action, and patient journey of Mavacamten (Camzyos) by Bristol Myers Squibb, contributing to client-ready pharma analytics deliverables
- Built a **7-day equipment failure prediction model** for a leading Oil & Gas client using historical operational data, supporting the shift from schedule-based to predictive maintenance
- Delivered structured insights through problem decomposition, root cause analysis, and business storytelling – translating data into actionable recommendations

POP (by Razorpay) — **Bengaluru, India**
HR Intern — *March 2026 – June 2026*

- Screened and interviewed **100+ candidates** across tech and non-tech roles, managing the full recruitment cycle from job posting to onboarding via Naukri.com, Keka, and other platforms
- Designed and deployed an **automated attendance tracking system**, reducing manual HR overhead and improving data accuracy for the team
- Partnered with department heads to align hiring strategies with workforce planning and operational goals

Happy Folks Club — **Bengaluru, India**
HR Intern — *January 2025 – August 2025*

- Conducted structured candidate screening and interviews to support the organization's intern hiring pipeline
- Tracked intern satisfaction and productivity, coordinating with team leads to maintain high engagement levels

Teachers By Choice Bengaluru — **Bengaluru, India**
Quantitative Aptitude Tutor — *January 2025 – Present*

- Delivered structured coaching in quantitative reasoning and data interpretation, improving student analytical speed and accuracy for competitive and board exams
- Successfully mentored first-time students to clear Christ University's BBA (Hons.) entrance examination
- Awarded **Tutor of the Month** and **Most Impactful Teacher** in recognition of measurable student outcomes

Projects

BioNex – Piezoelectric Energy Harvesting for Pacemakers

- Proposed a biocompatible piezoelectric energy harvesting solution to extend pacemaker battery life and reduce dependence on surgical battery replacement
- Developed a B2B business model targeting pacemaker manufacturers, combining healthcare innovation, market analysis, and financial feasibility
- **2nd Prize, Innowave** – flagship competition by Christ University Incubation Centre; **selected for incubation**
- **Top 5, Tech Zephyr B Plan Competition** – IIT Bhubaneswar (2025)

Mitti Mantra – AI-Powered Farm Intelligence Platform — *Hackathon, 2025*

- Co-developed an AI-driven platform to provide real-time agricultural intelligence and decision support for Indian smallholder farmers
- Contributed to product ideation, user journey mapping, and solution framework design as part of a cross-functional team of 4
- **1st Prize, ProdXPulse** – Secured 1st place among 500+ participants from premier institutes (IIMs and IITs) in a Product Development based Hackathon conducted by CMR University and the Institute of Product League.;

Achievements & Leadership

- **IIM Ranchi – Young Changemakers Programme (YCP 2.0):** Nationally selected for a leadership and social entrepreneurship programme by IIM Ranchi
- **Placement Trials – 4th Position:** Ranked 4th at Melange, the annual HR competition by the School of Business & Management, Christ University
- **COIL International Programme:** Completed a globally collaborative academic project with Baylor University, USA
